

Mr Funny Man
Never Shout Never

Wouldn't let me add this as Christofer Drew, because i dont think he has an official solo website yet.

Intro - A

Verse :

A **E** **D** **A**
Hello Mr. Funny Man I've heard all your jokes
A **E** **D** **A**
but the jokes on you if you don't know your jokes are getting old round here
A **E** **D** **A**
the moment you begin to try is when the humor dries up
Bm **E** **A**
And I s, I ain't laughing this time
A **E** **D** **A**
It's a crystal clear circumstance that everyone's aware of
A **E** **D** **A**
It's hard to give out chances when the probabilities against us
A **E** **D** **A**
the moment you begin to try is when your prospects wither up
Bm **E**
And I, yeah you ain't laughing this time

Chorus:

D **E** **A** **F#m**
Hello Mr. Funny Man you've hidden who you are my friend
D **E** **A** **F#m**
You're medicated remedy, the cure for you're complexities
D **E**
there's no need to be a phony man
D **E**
cause then you'll just be a funny man
D **E**
it's time to become a bigger man
D **E** **A**
and honestly man you're jokes just ain't that funny

And that's basically it.

Verse 2:

You convey you're finest faces and you manage to be cool
But when you're too cool for school now and then you forget the rules
And the moment you begin to try is when
sophisticated minds go dry I ain't laughing this time
You trick you're alter ego to detest the things you love

because it s apart of the punchline in the plot that you ve undone
but the moment you begin to try is when you re scheme will fall apart
unjustified Yeah, you ain t laughing this time
