Sellout
Never Shout Never

This is probobly the simplest way to play this song, maybe not the most accurate.

For each chord pluck the A string and then strum down on the D,G,B and high e string.

C
Who the hell have i been kidding?
Am
I sold my soul to the corporation,
C
They know me better than I know myself,
Am
I better shut it up, i better shut this up,
C
You got a problem with the way i think,
Am,
I got a problem with the way you think
                C
that you can program me like a damned machine
        Am
I m gonna take a stand and say fuck this scene.

C   Am
I m sick of imagery instead of artistry,
C   Am
I m sick of apathy instead of harmony,
C
I m sick of poets working part time jobs,
Am
While pissy people pick and choose the stars,
C   Am
I know that i should be the last one to speak
      C   Am
about this but even sellouts have they re dreams,
            C
Set the music free,

C   Am
Ba da da da da da, da da da da da
C   (walk up to) Am
Ba da da da da, a da da da da whoa aho oh

C   Am

```
                              C
```

like a vandal i wear my mask,
```
Am                                         C
```
So all you punks back home you can kiss my ass,
```
                                         Am
```

```
                                  C
```

```
                  Am
```
And i ain t never, no never, no, never, no never, no never,
