VERSE 1:

F# **B** **C#** **F#** **F#**
Last night was a thriller, was a killer, was a damn good time.
F# **B** **C#** **F#** **F#**
I met a pretty girl and I wanted to make her mine.
F# **B** **C#** **F#** **F#**
So I took her for a walk and damn, that girl could talk.
F# **B** **F#** **B**
But talked about all the pretty things and all the s----y things
F# **B** **C#** **F#** **F#m**
and all the little things that fall between.

CHORUS: (**Ebm** | **B** | **F#** | **F#-F#m**)

Ebm **B**
And oh, pretty girl,
F# **F#**
I know that I just met you,
F#m **Ebm** **B**
But I might just dare to say
F# **F#** **F#m**
That I love you.
Ebm **B**
And oh, sweet perfection,
F# **F#**
Wont you hear my one confession?
F#m **Ebm** **B** **F#-B-Bb-G#** **F#-B-C#-C#**
Ive been lost, but dear, Im found.
