D **Em** **G**
I like you
D **Em** **G**
Girl you don t got nothing to prove to me
D **Em** **G**
I know that times have been rough
D **Em** **G**
For the both of us

A **A/C#m**
But I ll pray for a change

D **Em**
You see this world has lots to offer
G **A**
But in time it will go dark,
D **Em**
And if this love is what we say it is
G **A**
I m sure we will go far
D **Em**
And with a girl as sweet as you
G **A** **D**
There s not much else I can do
Em
But fall for you

D **Em** **G**

D **Em**
You know that I m a wreck
G
And I know you can t breathe

D **Em** **G**
 At the edge of my seat with each word
D **Em**
 As the months turn into years
G **D** **Em**
 Just know that I will wait... here,
G
 For you

A **A/C#m**
 Cause I prayed for a change

D **Em**
 You see this world has lots to offer
G **A**
 But in time it will go dark,
D **Em**
 And if this love is what we say it is
G **A**
 I m sure we will go far
D **Em**
 And with a girl as sweet as you
G **A** **D**
 There s not much else I can do
Em
 But fall for you

thats pretty much it
 i dunno if thats right or not, but it sounds like it fits pretty well
 except im not sure about the A/C#m
 but you can use that as a starting point :)
