

Time Travel

Never Shout Never

there was another tab, but i think it wasn t that correct...i tried to re-make it.

(i don t think mine is correct, but i think it sounds better).

i use a capo on the 1st fret.

C **C**
The sun was no fun, so I ran back to earth

Am
Tripped and fell in the glorified dirt

F **C**
Honestly gravity sees me as a liability

C **Am**
So I held my breath till my soul left my boby for dead

F **C**
I ripped through the clouds to talk with the man in the sky

Am
I said "take this for what it is

F **C**
I think you re a tad bit prejudice against the ones like us that

G
are searching for the answers"

Am **F**
He said "kid you dont know sh*t, you should go back home and live in

C **G**
that quite little town you left behind

C **Am** **F** **Am**
Im coming home, Dont you cry, Dont you cry

C **Am** **F** **Am**
Im coming home, Just in time, Just in time
