

When Im Alone Nevertheless

Tuning: down half step

It s been years in the making
In my skin I am shaking from the cold
I am tired from the taking
And my heart it won t stop breaking and I know...
Moving forward can t be this hard

I m still trying to find out
Who I am on my own
I had you right beside me
But now you re gone and I know
That when the room clears I m still here
Who am I when I m alone?

They say time is a healer
But it s more like a concealer for a scar
Cause it never really leaves us
But it can always find us where we are
Who thought it could ever be so hard?

There s so much I should have said when time was wearing thin
You re not here but someday I know I ll see you again
