

**When Im Alone**  
**Nevertheless**

Tuning: down half step

**E**  
It s been years in the making  
**A** **B**  
In my skin I am shaking from the cold  
**E**  
I am tired from the taking  
**A** **B**  
And my heart it won t stop breaking and I know...  
**G#m** **B** **E** **B**  
Moving forward can t be this hard  
  
**A** **E**  
I m still trying to find out  
**G#m** **B**  
Who I am on my own  
**A** **E**  
I had you right beside me  
**G#m** **B**  
But now you re gone and I know  
**A** **E**  
That when the room clears I m still here  
**G#m** **B** **E**  
Who am I when I m alone?  
  
**E**  
They say time is a healer  
**A** **B**  
But it s more like a concealer for a scar  
**E**  
Cause it never really leaves us  
**A** **B**  
But it can always find us where we are  
**G#m** **B** **E** **B**  
Who thought it could ever be so hard?  
  
**G#m** **E** **B**  
There s so much I should have said when time was wearing thin  
**G#m** **B**  
You re not here but someday I know I ll see you again
