

**When Im Alone
Nevertheless**

Tuning: down half step

E
It s been years in the making

A **B**
In my skin I am shaking from the cold

E
I am tired from the taking

A **B**
And my heart it won t stop breaking and I know...

G#m **B** **E** **B**
Moving forward can t be this hard

A **E**
I m still trying to find out

G#m **B**
Who I am on my own

A **E**
I had you right beside me

G#m **B**
But now you re gone and I know

A **E**
That when the room clears I m still here

G#m **B** **E**
Who am I when I m alone?

E
They say time is a healer

A **B**
But it s more like a concealer for a scar

E
Cause it never really leaves us

A **B**
But it can always find us where we are

G#m **B** **E** **B**
Who thought it could ever be so hard?

G#m **E** **B**
There s so much I should have said when time was wearing thin

G#m **B**
You re not here but someday I know I ll see you again
