

**When Im Alone  
Nevertheless**

Tuning: down half step

**F**  
It s been years in the making

**Bb** **C**  
In my skin I am shaking from the cold

**F**  
I am tired from the taking

**Bb** **C**  
And my heart it won t stop breaking and I know...

**Am** **C** **F** **C**  
Moving forward can t be this hard

**Bb** **F**  
I m still trying to find out

**Am** **C**  
Who I am on my own

**Bb** **F**  
I had you right beside me

**Am** **C**  
But now you re gone and I know

**Bb** **F**  
That when the room clears I m still here

**Am** **C** **F**  
Who am I when I m alone?

**F**  
They say time is a healer

**Bb** **C**  
But it s more like a concealer for a scar

**F**  
Cause it never really leaves us

**Bb** **C**  
But it can always find us where we are

**Am** **C** **F** **C**  
Who thought it could ever be so hard?

**Am** **F** **C**  
There s so much I should have said when time was wearing thin

**Am** **C**  
You re not here but someday I know I ll see you again
