

**When Im Alone  
Nevertheless**

Tuning: down half step

**D**  
It s been years in the making

**G** **A**  
In my skin I am shaking from the cold

**D**  
I am tired from the taking

**G** **A**  
And my heart it won t stop breaking and I know...

**F#m** **A** **D** **A**  
Moving forward can t be this hard

**G** **D**  
I m still trying to find out

**F#m** **A**  
Who I am on my own

**G** **D**  
I had you right beside me

**F#m** **A**  
But now you re gone and I know

**G** **D**  
That when the room clears I m still here

**F#m** **A** **D**  
Who am I when I m alone?

**D**  
They say time is a healer

**G** **A**  
But it s more like a concealer for a scar

**D**  
Cause it never really leaves us

**G** **A**  
But it can always find us where we are

**F#m** **A** **D** **A**  
Who thought it could ever be so hard?

**F#m** **D** **A**  
There s so much I should have said when time was wearing thin

**F#m** **A**  
You re not here but someday I know I ll see you again
