

When Im Alone
Nevertheless

Tuning: down half step

F#
It s been years in the making
B **C#**
In my skin I am shaking from the cold
F#
I am tired from the taking
B **C#**
And my heart it won t stop breaking and I know...
Bbm **C#** **F#** **C#**
Moving forward can t be this hard

B **F#**
I m still trying to find out
Bbm **C#**
Who I am on my own
B **F#**
I had you right beside me
Bbm **C#**
But now you re gone and I know
B **F#**
That when the room clears I m still here
Bbm **C#** **F#**
Who am I when I m alone?

F#
They say time is a healer
B **C#**
But it s more like a concealer for a scar
F#
Cause it never really leaves us
B **C#**
But it can always find us where we are
Bbm **C#** **F#** **C#**
Who thought it could ever be so hard?

Bbm **F#** **C#**
There s so much I should have said when time was wearing thin
Bbm **C#**
You re not here but someday I know I ll see you again
