You re down, so beautiful
Top of the line, so unusual
Words can t define,
You re running through my mind all day

I m so happy you re mine, so beautiful
Top of the line, so unusual
Now I think it s time, hey Shawty
I hope you don t take this the wrong way

[Chorus]

Girl you look better with the lights off,
Better with the lights off ooh
Girl you look better with the lights off,
Better with the lights off ooh
Better with the lights off

[New Boyz]

Hey listen here girl, what you look so sad for?
Sweetheart you only live one time
So put your fantasies on flashfoward light
Girl, speed me up, got the jetlag, cause you need me now
I hate your type I love you too,
I fight your side cause I wanna do you

Can t blame you back
If you and me were close girl take a chance
Love you babe, lalalal I m so bad
Me and you really fine though,
Just wanna see you with the lights off
Every guy wanna know how this
And tap off the lights and tell Cody kill it

Drive off take my girl, have a nice day
She was nice so I let her head my way
Look cute girl, what you wanna do girl?
Drive to my house cause it s all you need too girl
Checking a route, she had to put her swag on
Acting too happy saying she ain t going back home
Whatever you say, but whatever you play gotta be done in style
Party at my place, of course she wasn t girl,
You ain t taking my space
Yeah, Shawty still looking right,
She attacked me, but wait let me turn the lights
You look different, she s like stop it
No, I ain t playing actually you want hopping
That s shocking, know that s really wrong
Baby you gotta leave the lights off
