C# Bbm Fm (2x)

C# Fm Bbm
Is there anyone wholl act on mybehalf?
We just need to start again from the top
Its so simple to start with a hello

C# Fm Bbm
I beg your pardon for this aching heart
Chapter one has almost been lost
And recognize I never want to let you go

C# Fm Bbm
But it seems as though, when we both sit here alone
If Hollywood only understood
Look in my eyes, dont listen to all those lies

F# C# G#
All we here us the echo from our broken hearts (Chorus)
Wed never hear the echo, of be front page new (Chorus / Solo over Chorus/
Bridge)
Cover up the echo, before we run out of time (Chorus - end)

Chorus

Conversation , conversation, thats all we need (2x)
F# C# G#
How can such a simple thing, be so hard

Bridge

Bbm Fm
When love is fading, do you really know whats happening?
Bbm Fm
Do you shut it out? And lose all your harmony
F# Ebm G#
It can be alright, it can be okay
