Conversation by New England (written by John Fannon)

<http://www.newenglandrocks.com/>

Great pop song from the 1981 Explorer Suite album.

D Bm F#m (2x)

D F#m Bm
Is there anyone wholl act on mybehalf?
We just need to start again from the top
Its so simple to start with a hello

D F#m Bm
I beg your pardon for this aching heart
Chapter one has almost been lost
And recognize I never want to let you go

D F#m Bm
But it seems as though, when we both sit here alone
If Hollywood only understood
Look in my eyes, dont listen to all those lies

G D A
All we here us the echo from our broken hearts (Chorus)
Wed never hear the echo, of be front page new (Chorus / Solo over Chorus/
Bridge)
Cover up the echo, before we run out of time (Chorus - end)

Chorus

D Bm F#m
Conversation , conversation, thats all we need (2x)
G D A
How can such a simple thing, be so hard

Bridge

Bm F#m
When love is fading, do you really know whats happening?
Bm F#m
Do you shut it out? And lose all your harmony
G Em A
It can be alright, it can be okay
