LETRA DA MUSICA

Everything that could of went wrong, went wrong this year
Nothing quite recently has made me want to stand up and cheer
Everything you haven t said has finally come back to you.

Now is not the time, now is not the time
I know you never liked any gifts I gave to you.

This holiday is overrated
It turned out the way I expected
This holiday is one to forget
Another year, this time I ll regret that I spent too much time
And money on you.

Why do I only remember the bad times we had?
I guess everything we do does reflect
Everything you wish you said, has finally come back to you.
Now is not the time, no now is not the time
I know you never liked any gifts I gave to you.

This holiday is overrated
It turned out the way I expected
This holiday is one to forget
Another year, this time I ll regret that I spent too much time
And money on you.

I hope you spent it alone.
