( G , C )

Your eyes were covered in sunglasses  
When they first met my eye  
I sat there and stared at you  
You didn t seem to mind

G C Em

The awkward ways we meet

( G , C , Em , C )

First comes heavy breathing  
Staring at the ceiling  
What will happen next  
I don t wanna know  
I don t wanna know

( G , C )

I never cared how I dressed before  
But I cared that night  
Anticipation ran through my bones  
And my clothes never fit right

G C Em

I can t wait til we meet again

( G , C , Em , C )

First comes heavy breathing  
Staring at the ceiling  
What will happen next  
I don t wanna know  
I don t wanna know

( G , C )

Framed pictures start to be put on the walls  
Constant visits while I m out on the road  
Its hard to leave sometimes

G C Em

But you know where I lay my head at night

( G , C , Em , C )

First comes heavy breathing  
Staring at the ceiling

What will happen next

I don t wanna know

I don t wanna know
