Letra da mÃsica:

I m drunk off your kiss
For another night in a row
This is becoming too routine for me
But I did not mean to lead you on
And it s all right to pretend
That we still talk
It s just for show, isn t it
It s my fault that it fell apart

Just maybe
You need this
And I didn t mean to
Lead you on

You were everything I wanted
But I just can t finish what I ve started
There s no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
(My friends over you)

Please tell me everything,
That you think that I should know
About all the plans we made
When I was never to be found
And it s all right to forget
That we still talk
Its just for fun, isn t it
It s my fault that it fell apart

Cuz maybe you need this
And I didn t mean to
Lead you on

You were everything I wanted
But I just can t finish what I ve started

There s no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you

(My friends over you)

Just maybe you need this
You need this?
And I didn t mean to
Lead you on

You were everything I wanted
But I just can t finish what I ve started
There s no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
