

Never Give Up  
New Found Glory

INTRO: A E F#m E x2

A

living with me A E F#m E  
I don t think it would be so bad

A

this is the first time this year A E F#m E  
that I m not going to make you mad

A

I m tired of my conscious A E F#m E  
always telling me to stop sleeping in

A

but I can t waste a second A E F#m E  
on dreams that will never begin

F#m E  
everyone has a head upon their shoulders

A

E

we re losing our pride as we all get older

F#m E  
everyone has to become their saviors

A

you might not get it right

E

or you might realize that its too late

CHORUS:

A D B D  
don t back down

A D B  
I m over the past

D  
can t you see

A D B D  
don t back down

A D B  
I don t really care about before

B A  
before you met me

VERSE:

A E F#m E

is it cool if I see you tonight

A

there s a thousand questions

I want to ask you **A E F#m E**  
 if you think that its alright  
**F#m** **E**  
 everyone has a head upon their shoulders  
**A** **E**  
 we re losing our pride as we all get older  
**F#m** **E**  
 everyone has to become their saviors  
**A**  
 you might not get it right  
**E**  
 or you might realize that its too late

CHORUS

(PLAY AS POWER CHORDS)

A D B D x2  
A D B D C# D  
A D B B D

A D  
so don t take anything for granted  
B D  
sit outside in the rain  
A D  
an excuse you know I planned it  
B D  
every ending ends up the same
