

When I Die
New Found Glory

This song is pretty much **C**, **F**, and **G**. But what you can do for fun is replace the **F** chords with **Am** chords. It gives it a little different of a sound and still sounds cool.

F G C G (x2)

F

Now I have finally accepted

G

We will never stand in the same room

F

G

I can never hear your voice of reason

F

At least you didn t, didn t feel a thing

Repeat intro)

F

When I was younger you would tell me

G

That I should wait to grow up

F

That things don t go always as planned

At least you didn t, didn t feel a thing

F G C

No you didn t didn t have to feel a thing

F C G

No you didn t feel

C

When I die I ll be fine

Am

G

Cause I know you re always there

C

When I die I m alright

Am

G

Cause I know you ll be there

F G C G F C G

You are home

Now I m standing at a crossroad
Don t know which path is calling me
I wanna follow in your footsteps

So you know you re never alone

No you didn t have to feel a thing

No you re never alone

F G C F (x2)

F

G

I m still here but I m waiting

C

F

For our long conversations

C

G

I m still here but I m waiting to go home

C Am

Oh ohhhhhhhhhh

C Am

Oh ohhhhhhhhhh

Am G C G

No you didn t didn t have to feel a thing

F Am

You are home

G C

You are home
