

In The Middle Of The Night
New Grass Revival

On the Em chords you want to do a little palm slap on and off to give it the same sound as the song. On the D in the chorus you want to hit some hard down strums. The C9 chord before you go in to the chorus needs to finish with 3 strong down strokes and a palm mute.

CAPO I

G **C9** **Em**
Well Iâ€™ll tell you a story thatâ€™s got no end
G **C9** **Em**
I forgot my love and I lost my friend
G **C9** **Em**
The murder was easy to soft my charm
G **C9** **Em**
But this darkness about to do me some harm
C9 **G**
I lock my doors and my windows too
D **Am**
But that old wind still whistles through
C **C9**
I used to be so close to you
Em
In the middle of the night
G
Something just ainâ€™t right
Em **G**
Midnight whereâ€™s that morning light
Em **D**
Midnight Iâ€™m used to making it by myself
Am **C** **Em**
Oh lord, but this here is something else

G **C9** **Em**
Well my head feels hot but my hands are so cold
G **C9** **Em**
So few years but I feel so old
G **C9** **Em**
Sweet Sally donâ€™t come around here no more
G **C9** **Em**
She read my palm and showed me the door
C9 **G**
Iâ€™ve got nowhere to pretend
D
I feel likeâ€™s itâ€™s either me or them
C **C9**

Your love was made for 3am

Chorus

G **C9** nnn **Em**
I got a love that's ice cold fire
G **C9** **Em**
Deep blue dreams and red desires

G **C9** **Em**
Father son and holy ghost
G **C9** **Em**
Where's the one I need the most
C9 **G**
I'll admit that I've been wrong
D **C**
I've been singing the same old song
C9
I've been feeling the way I feel too long

Chorus
