Hold On  
New Heights

Intro:

**C F Am-G C**

Verse 1:

**Am G C F**

**Am G F F**

Time leads us  
Over sideways  
And under on this road

Weâ€™re moving faster  
As all the years let go  
Youâ€™re drifting away

Pre-Chorus:

**F G Am C**

But you stood out And reached out your hands to me

**F F F G**

And pulled me in  
You pulled me in

Chorus:

**C F Am-G C**

So hold on  
Iâ€™ll carry you in my arms  
Hold on  
Just hold on to me

Verse 2:

I walk this road  
As I made amends I felt much stronger  
You told me through your heart was leading  
Your hands could never go

Instrumental:

**C G Am F**
