

Lets try it again  
New Kids On The Block

INTR: D Bm A G A D Bm A G A D A

I ve heard of true loves that lasted forever, I guess there is a way,

And I ve heard of true loves that needed each other more and more each day.

What is love when there s no one that cares?

Next time you need my love I ll be there, be right by your side.

Let s try it again, try it again, let s try it again,

(My love for you,) it has no end.

Let s try it again, Till the end, all because I love you.

I ve heard of two loves that stayed with each other,

Didn t wander through the night,

And I ve heard of two loves that prayed for each other,

Didn t argue, fuss or fight.

Now I know just what love s all about.

Next time you need my love I won t doubt, doubt your love again.

Let s try....
