

Let's try it again
New Kids On The Block

INTR: D Bm A G A D Bm A G A D A

I ve heard of true loves that lasted forever, I guess there is a way,
And I ve heard of true loves that needed each other more and more each day.
What is love when there s no one that cares?
Next time you need my love I ll be there, be right by your side.
Let s try it again, try it again, let s try it again,
(My love for you,) it has no end.
Let s try it again, Till the end, all because I love you.
I ve heard of two loves that stayed with each other,
Didn t wander through the night,
And I ve heard of two loves that prayed for each other,
Didn t argue, fuss or fight.
Now I know just what love s all about.
Next time you need my love I won t doubt, doubt your love again.
Let s try....
