[Verse]

Em

There s a witch hunt coming, screaming out on it s rebirth

Em

There s a crusade coming, Hellfire s back here on earth

D

See the light in their eyes shine, listen to their words like swords

Em

The Christian militia is marching now

[Verse]

Em

There s a witch hunt coming, born out of all the American fears

There s a new purge coming, an inquisition for all of us here

D

Hold onto your sanity as best you can

D

While some Hitler claims to speak for the Son of Man

Em

The Christian militia is marching now

[Chorus]

C

Hatred makes the adrenaline flow

D

Stir up the fire watch it grow

G

Everybody loves a righteous cause

Am

Old lives forgotten in holy wars

Em

Everything forgotten in holy wars

[Verse]

Em

There s a nightmare coming, shut up your doors close your mind

Em

There s a nightmare coming - Born Again, born again blind

D

The girls show the way, then show us their legs

D

With American showbiz razzmatazz

Em

With sex in one hand and a gun in the other, Christ returns

[Chorus]

C

The right-wing respectable clampdown clan

D

Find their figure head in a holy man

G

Here come the Christians an hysterical mob

Am

Worshiping the Devil in the name of God

Em

Worshiping the Devil in the name of God
