G **A** **E**

E **Bm**
Moving through the world at obsession speed
G **A** **E**
Leave a dust trail crossing the land

I m crying out in fury to the gods of fate
D **A** **E**
Come on, get me if you can

E **Bm**

Crying out in fury to the gods of fate
D **A** **E**
Come and get me if you can

G **A** **E**
Screaming in the face of the storm
E **Bm**
Howling out in the roaring surf
G **A**
With the waves crashing down into foam
E **Bm**
To feel something without weakness
G **A**
She batters me down into the sand

Come on and get me if you can
