

betrayals, they echo in the dark;

**Dm**

and somewhere back through it all

**F**                    **G**                    **Dm**

the key is still turning in the lock.

**Bb**

**A**

**C**

**G**

So now the ghosts that you have laid, they all come out to greet you

**Bb**

**A**

**C**

**G**

And the knowledge that you ve gained - well, none of this protects you

**Bb**

**A**

**C**

**G**

You ve been so very far, still peace will not embrace you

**Bb**

**E**

for all the while the past is close behind

**G**

**Bb**

**Dm**

Like headlights on your tail, headlights on your tail
