Am Dm G

and your breath I remember

Am Dm G Am

Take me in your arms, back in your arms

Dm G

Take me in your arms

So walk out this night

Am Dm G

and look up at the stars,

Am Dm G

the light that you see is as old as I am

Am Am Dm G

Am Dm G

And that's what I see,
Am Dm G
when I gaze in your eyes
Am Dm G Am
Loving a ghost lost in confusion of time

Am Am Dm G

but our love remains

through these brightest hours.
Am Dm G Am
and my secret world

Am Dm G
Your face I remember
Am Dm G
and your breath I remember
Am Dm G Am
Take me in your arms, take me in your arms
Am Dm G
back in your arms

and your breath I remember
Am Dm G Am
Take me in your arms, back in your arms
Dm G
Take me in your arms
