Versel:

B5 **A5** **B5**
The witching hour, we're gone from here,
A5 **B5** **A5** **B5**
The snaked back roads are just about clear,
A5 **B5** **A5** **B5**
Onto the hard line dark horizon,
A5 **B5** **A5** **B5**
Through the silver in the air,
A5 **G5** **A5** **G5** **A5**
And if home is where the heart is,
G5 **A5** **G5** **A5**
We'll just keep going till we disappear.

Chorus:

A **G**
The moon rides high on a gun metal sky,
Bm
Pulling a river a mile wide,
I am wired, I am wired, I am so wired.
A **G**
The moon rides high on a gun metal sky,
Bm
Pulling an ocean, a rising tide,
Into the wild, into the wild, into the wild.

Verse:

B5 **A5** **B5**
Sometimes I feel her with me,
A5 **B5** **A5** **B5**
I feel her eyes upon my face,
A5 **B5** **A5** **B5**
I feel her pulling me down in a tangle,
A5 **B5** **A5** **B5**
Of sweat and hair and grace,
A5 **G5** **A5** **G5** **A5**
But the only things worth wishing for
G5 **A5** **G5** **A5**
Are the ones that you cannot possess.

Bridge:

Em

And in the shadows of the trees,
You can see like an animal sees,
Gather up the stars,
Well it seems so- back into the night.
