

When Did We Stop

New Move

[Verse 1]

G

It happened again

G

We stayed out till ten AM

Am

We talked about the universe

D

And how it s all gonna end

G

It was you, it was me

G

We were riding a white horse

Am

We talked abut our sorrow

D

We weren t thinking about tomorrow

[Chorus]

G

When did we stop

Aiming for the top?

Am

We re on a slow march

D G

To the middle

[Verse 2]

G

It happened again

G

We stayed out till 10 AM

Am

Ooh, my biggest fear is that

D

I ll end up just where I m headed

[Chorus]

G

When did we stop

G

Aiming for the top?

Am

We re on a slow march

D G

To the middle

[Verse 3]

Am C

Waking up

G Am

At six in the evening

C

Now there s nobody here

D

Only thing left is a case of the fear

[Chorus]

G

When did we stop

G

Aiming for the top?

Am

We re on a slow march

D G

To the middle

G

When did we stop

G

Aiming for the top?

Am

We re on a slow march

D D

To the middle

[Verse 1]

G

It happened again

G

We stayed out till ten AM

Am

We talked about the universe

D

And how it s all gonna end

G

It was you, it was me

G

We were riding a white horse

Am

We talked about our sorrow

D

We weren t thinking about tomorrow

[Bridge]

Am **C** **G**

Walking out the door at 7

Am **G**

Oh, trying to get out of this town

D **C**

My steady routine is just treading me down

[Chorus]

G

When did we stop

G

Aiming for the top?

Am

We re on a slow march

D **G**

To the middle
