Don t you know that I m here beside you
 Can t you see that I can t relax
 When I saw you in my rearview

You could take me to an island
Right across a stormy sea
We could worship pagan idols
There together, you and me
Why don t you run over here and rescue me
You could drive down in your car
Why don t we both take a ride and turn that key
We ll drive at sixty miles an hour

I ll be there for you...(2)
