Bizarre Love Triangle

by New Order

Transcribed by Paul N
Capo on the 6th fret

[Picking: **G**]

C **D**
Every time I think of you
Bm **C**
I feel shot right through with a bolt of blue
D
It s no problem of mine but it s a problem I find
Bm **C**
Living a life that I can t leave behind
D
There s no sense in telling me
Bm **C**
The wisdom of a fool won t set you free

But that s the way that it goes
D
And it s what nobody knows
Bm **C**
While every day my confusion grows
D
Every time I see you falling
Bm **C**
I get down on my knees and pray
D
I m waiting for that final moment
Bm **C**
You ll say the words that I can t say

[Picking: **G**]

I feel fine and I feel good
I m feeling like I never should
Whenever I get this way, I just don t know what to say
Why can t we be ourselves like we were yesterday
I m not sure what this could mean
I don t think you re what you seem
I do admit to myself
That if I hurt someone else

Then I ll never see just what we re meant to be
Every time I see you falling
I get down on my knees and pray
I m waiting for that final moment
You ll say the words that I can t say

Every time I see you falling
I get down on my knees and pray
I m waiting for that final moment
You ll say the words that I can t say

[Strum: **G**]
