Bizzare Love Triangle New Order

Bizarre Love Triangle
----by New Order

Transcribed by Paul N Capo on the 6th fret

[Picking: G]

C D

Every time I think of you

Bm

I feel shot right through with a bolt of blue

D

It s no problem of mine but it s a problem I find

Bm (

Living a life that I can t leave behind

D

There ${\bf s}$ no sense in telling me

Bm C

The wisdom of a fool won t set you free

But that s the way that it goes

D

And it s what nobody knows

Bm (

While every day my confusion grows

D

Every time I see you falling

Bm C

I get down on my knees and pray

D

I m waiting for that final moment

Bm (

You ll say the words that I can t say

[Picking: G]

I feel fine and I feel good

I m feeling like I never should

Whenever I get this way, I just don t know what to say

Why can t we be ourselves like we were yesterday

I m not sure what this could mean

I don t think you re what you seem

I do admit to myself

That if I hurt someone else

Then I ll never see just what we re meant to be Every time I see you falling
I get down on my knees and pray
I m waiting for that final moment
You ll say the words that I can t say

Every time I see you falling
I get down on my knees and pray
I m waiting for that final moment
You ll say the words that I can t say

[Strum: G]
