We all feel the same		
	F#	Ebm
All pleasure nothing to gain		
	Bbm	C#
I ve known you from the start		
	F#	Ebm
I ve grown used to your wooden heart		
	Bbm	C#
Now you know my name		
	F#	Ebm
You search your empty brain in vain		
	Bbm	C#
If you don t change your ways		
	F#	Ebm
You ll end up here with me ungraced		

	Bbm	C#	F#
Without you they ll never know			
	Ebm	Bbm	
Without you my life won t flow			
	C#	F#	
Without you they ll never show			
	Ebm	Bbm	
Without you the night won t go			
	C#	F#	
Without you I m left alone			
	Ebm	Bbm	
Without you I m on my own			
	C#	F#	
Without you I lay in pain			
	Ebm	Bbm	

Without you I ve gone insane

It s time we said goodbye

F# Ebm
Bury your head and silence your cry

Bbm C#
Know the feel of pain

F# Ebm
Join our world and play our game

Bbm C# F#
Without you they ll never know

Ebm Bbm
Without you my life won t grow

C# F#
Without you they ll never show

Ebm Bbm
Without you the night won t go

C# F#
Without you I m left alone

Ebm Bbm
Without you I m on my own

Just for you I wrap my face

C# F#
Without you I m left alone

Without you I m on my own

C# F#
Without you I lay here in pain

Whatever you may think of me
Don t ever take my dignity (x4)
Whatever you may do to me
