

Stranded In The Jungle
New York Dolls

(E D B)

I crashed in the jungle while trying to keep a date
With my little girl who was back in the States
I was stranded in the jungle, afraid, alone
Trying to figure a way to get a message back home
But how was I to know that the wreckage of my plane
Had been picked up and spotted and my girl in Lover s Lane
Meanwhile, back in the States

Baby, baby, let s make romance

He s stranded in the jungle, sad as he can be

So come on pretty baby, just you and me

Meanwhile, back in the jungle

(E D B)

The boys in the jungle had me on the run
When something heavy hit me like an atomic bomb
When I woke up and my head started to clear
I had a strange feeling I was cooking gear
I smelled something cooking and I looked to see
That s when I found out they was cookin me
Ooga booga, lemme outta here!

Meanwhile, back in the States

I jumped out of the pot, I finally got away
I was frantic, worried about what my baby would say
So I jumped in the ocean and started to swim
My chance of surviving was gettin slim

So I thumbed down a whale that was headed my way
And I reached the States in about half a day
When I got to Lover s Lane I was almost dead
Heard him talkin to my baby, and this is what he said

E
Baby, baby, the man s no good
A **B** **E**
Baby, baby, should have understood
A **B**
You can trust me just as long as you please
A **B**
So come back pretty baby where you used to be
E
Cause I love you (I love you, I love you,
