Intro-E C E C over and over

E C

When I get home to you

E C

I gotta show you what I can do

E C

But everything connects

Ε

And that ain t nowhere

В Р

And maybe they re just giving you all you ever wanted

в А

And maybe you never ever knew what that was

В А

And maybe you re just finding it out now

B A B A

With a Vietnamese baby on your mind

The rest of the song is just that over and over again. The only other part I know is

right after the chorus(right after the drum rolls) the guitar breaks on the B  $_{\mbox{\scriptsize string}}$ 

on the 17th fret. The solos, though, I have no idea about.
