

**River Of Pain**  
**NewFound Road**

I know there are some flaws with chords and lyrics, but I couldn't here what he was singing at some points. This is the only lyrics out there for this song so there's not much to choose from. Feel free to correct me.

Newfound Road  
River of Pain

**Em**  
rain oh rain are you here to stay  
**G**  
while oh while wont u go away  
**A**  
cause I ain't seen one sunny day  
**Em**  
on the river of pain

**E**        **A**        **G**

**Em**  
I bring lows down hill and I cant come back  
**G**  
so far calm as a matter of fact  
**A**  
like a runaway train on a one way track  
**Em**  
to the river of pain

**E**        **A**        **G**

**A**                **G**  
river of pain cold and mean  
**Em**  
running like a devil to the deep blue sea  
**A**                **G**  
black as a knife cursed by the rain  
**Em**  
lord i m drowning in the river of pain

**Em**  
treated my heart like a step in the stone  
**G**  
threw it in the water i was out of no  
**A**  
that I be sinking here all alone  
**Em**

to the river of pain

**E**            **A**            **G**

**A**                            **G**  
river of pain cold and mean

**Em**  
running like a devil to the deep blue sea

**A**                            **G**  
black as a knife cursed by the rain

**Em**  
lord i m drowning in the river of pain

**Em**  
Oh-oh,

**A**  
river of pain let me be

**Em**  
that deep bloody water gonna bury me

**E**            **A**            **G**

**A**                            **G**  
river of pain cold and mean

**Em**  
running like a devil to the deep blue sea

**A**                            **G**  
black as a knife cursed by the rain

**Em**  
lord i m drowning in the river of pain

**Em**  
Oh-oh

**A**  
to the river of pain...
