Adoration

**C#m E**

I m here with the others

**A E**

Who saw the heavens testify

**C#m E**

Now I hang back in the shadows

**A B**

I want to come close

**C#m**

I want to know

**E**

She sees me shivering here

**A E**

She smiles and with a nod

**C#m E**

I walk through the mud and straw

**A E**

To the newborn Son of God

**E**

Come, let us adore Him

**E**

He has come down to this barren land

**B**

Where we live

**A**

And all I have to give Him

**E**

Is Adoration

**C#m E**

He raises a wrinkled hand

**A E**

Through the dust and the flies

**C#m E**

Wrapped in rags like we are

**A B**

And with barely open eyes

**C#m**

He takes my finger

**E**

And he won t let go

**A E**

And he won t let go

**C#m E**

It s nothing like I knew before

**A E**

And it s all I need to know

**E**

Come, let us adore Him

**E**

He has come down to this barren land

**B**

Where we live

**A**

And all I have to give Him

**E**

Is Adoration

Come, let us adore Him

**E**

He has come down to the world we live in

**B A B**

And all I have to give Him

**E**

Is Adoration

**A D A**

God is with us here

**A D A**

Our Immanuel

**A D A**

God is with us here

**A D A**

Our Immanuel

**E**

O come let us adore Him

**E**

O come let us adore Him

**B A**

Jesus, our Immanuel

**B A**

Is with us here and He won t let go

Come, let us adore Him

**E**

He has come down to the world we live in

**B A B**

And all I have to give Him

**E**

Is Adoration (x3)
