(same chords as the chorus)

In the belly of the whale

It s an underwater jail

It s a tight squeeze

It s a-gettin to me but its roomier than the tail

Hey sailor let me flow free

like a salmon to the sea

from the L.A symphany

I m a

Paddle-Boat Paddling in their wake

Fake freestyler

but my unemployment pays

im avoiding cliches like

Whale of a tale and

you cant keep a good man down

cos u cant, cos a been there man
