Glorious Newsboys Im not 100% sure but it sounds right Intro- F-C-F-C Am G And if I sing out in the dark of night F Or praise You in the light of dawn Am G F Hear my song and lift me on Your wings Am G And if I worship You in solitude \mathbf{F} Or join a choir 10,000 strong G \mathbf{F} Am Hear my song â€~til all creation sings Chorus C \mathbf{F} Glorious, shining so glorious C Though I stumble, though I fall F You remain glorious. Am Towards Your light G F I come running, I come running Am Into Your arms G \mathbf{F} I come running, I come running. You have searched me You have known my heart You've heard my every anxious thought Hear my song, it's all I have to bring And though the battles come This much is known: The victory's won by You alone Hear my song, my Savior and my King Singing Repeat chorus I didnt get one part of the song lol but besides that its the same.
