

## In Wonder Newsboys

The Newsboys song In Wonder off the Go album

Standard Tuning

Capo 1st Fret, play chords relative to Capo

The G can either be played as an acoustic G or a Power Chord, depending on your style

Once you get the tempo of the intro and verses as far as chord changes it s not too bad, just listen to the track, they do alot of split chords with the electric to make the cool sounds but this is the basic way.
