

Praises
Newsboys

Verse 1:

G#m
Tears have fallen
E **G#m**
Water beats
G#m **Ebm** **E**
Wipe the floor with my regrets
G#m
In the crevice
E **G#m**
Tiny seeds
G#m **Ebm** **E**
Spring to life from pardoned debts
F#
And all I have all I have is

Chorus:

E **B2**
Praises on my tongue
 G#m
From my heart
 F# **E**
For our God who became flesh
 B2
For us all
 G#m
Unto You
 F#
I will sing my praises, sing forever

Verse 2:

G#m
In the quiet
E **G#m**
I lament
G#m **Ebm** **E**
Every nail my sin did buy
G#m
And I wonder
E **G#m**
Why You spent
G#m **Ebm** **E**
Lavish blood on such as I
F#
When all I have, all I have is
(chorus)

Bridge:

E	B2	F#
Oh	for a thousand tongues to sing	

To sing aloud, sing aloud

E **B2** **F#**
All to the glory of my God and King

To sing aloud, sing aloud

```
(repeat)
```

(chorus)

Ending:

F#
This is the truth

B

Of God and man and life
