Stay Strong: The Newsboys

---

**Dm7**

You re in the moment now

**C**

A bitter root

**G Dm7**

A wandering eye and then

**C G**

The ties that bind start wearing thin, again

**Dm7**

You re in the moment now

**C**

When all you ve been blessed with

**G Dm7**

Is not enough

Here s where the ground gets loose

**C G**

Here s where the devils call your bluff

Chorus

**F C**

Stay strong

**G**

You are not lost

**Dm**

Come on and fix your eyes ahead

**F C G**

There s a new dawn to light our day, our day

**F C**

You ve gotta stay strong

**G**

You and I run

**Dm**

For the prize that lies ahead

**F C G**

We ve come too far to lose our way, our way

2nd verse

We ve seen the tragic flaws

The tortured souls

The saints with feet of clay

Here s where sin becomes cliché

We ve come through wilderness and watched  
The cloud by day  
The burning sky into dawn  
Have you forgotten who you are?  
Did you forget whose trip you re on?

Chorus

interlude

**Em** **F**  
Get up, there s further to go  
**G** **Am7**  
Get up, there s more to be done  
**Em** **F**  
Get up, this witness is sure  
**G** **Am7** **F** **C** **G** **Dm** **F**  
Get up, this race can be won-----  
**C** **G**  
This race can be won

Chorus
