The Mission

VERSE 1

D

When the runners came from Bethlehem

A

All breathless with good news

G

They were passing a baton forward through time

D

The commission, from God's lips to our ears

A

Carried by His saints two thousand years

G

Connects us all to the same lifeline

A

As I fix my eyes ahead

G

I can feel the Spirit's breath...

CHORUS

D

A

G

(And) I can hear the mission bell ringing out loud and clear

D

A

G

It's the revolution Jesus started, and it's here

D

A

G

Echoing across the world from the shores of Galilee

D

A

G

D

G

I can hear the mission bell call for you and me

G D G

I wanna run with fire

G D G

It's my heart's desire

G D G

Lifting your love higher

VERSE 2

In the history of our faith's arrivals
Great awakenings, Welsh revivals
Saints and martyrs, summoned by a new birth
Patrick's save of the Irish nation
William Carey's expectation

Lambs and Lions
Called to the ends of the earth
Gotta put my hand to the plow
Not looking back, not now...

CHORUS
