Echoing across the world from the shores of Galilee

**VERSE 2**

In the history of our faith's arrivals  
Great awakenings, Welsh revivals  
Saints and martyrs, summoned by a new birth  
Patrick's save of the Irish nation  
William Carey's expectation

Lambs and Lions  
Called to the ends of the earth  
Gotta put my hand to the plow  
Not looking back, not now...

CHORUS
