**Newsboys**

Wherever We Go By Newboys  
**Bm** **A/C#**  
Wherever we go, bluebirds sing  
**D**  
And the flowers bloom  
**Em**  
And the grass gets green  
**G** **D**  
It s a curious thing  
**G** **D**  
But it s just our thing  
**Bm** **A/C#**  
Wherever we go, the bees behave  
**D** **Em**  
In the treetops, squirrels smile and wave  
**G** **D**  
It s a curious thing  
**G** **D**  
And it s humb-a-ling  
**Em**  
Where we go, little glow-worms glow  
**D**  
Little roadrunners run ahead  
**Em**  
Gonna tell their friends  
Little mice, little men  
**D**  
Get em all excited  
**A/C#**  
All invited

[CHORUS]  
**Bm**  
Hands up,  
**A/C#**  
Holler back here,  
**D** **Em**  
Let s throw this party in gear,  
**Bm** **D/A**  
We brought the welcome mat,  
**Bm** **G**  
Wherever we go, that s where the party s at.  
**Bm**  
Hands up,  
**A/C#**  
Holler back now  
**D** **Em**

We don't claim any know how,  
**Bm** **D/A**  
We're given God all that,  
**Bm** **G**  
Wherever we go, that's where the party's at.

**Bm A/C# D**

**Bm** **A/C#**  
Wherever we go, the dumb get wise  
**D**  
And the crime rates drop  
**Em**  
And the markets rise  
**G** **D**  
It's a curious thing  
**G** **D**  
But it's just our thing  
**Bm** **A/C#**  
Bullies make nice, crooks repent  
**D** **Em**  
And the ozone layer shows improvement  
**G** **D**  
It's a curious thing  
**G** **D**  
And it's humb-a-ling  
**Em**  
Wherever we're led  
All the Living Dead  
**D**  
Wanna leave their Zombie Mob  
**Em**  
It's a touching scene when they all come clean  
**D** **A/C#**  
God help us, we just love our job

[CHORUS]

(Throw your hands up high)  
(High, throw your hands up,)  
(Throw your hands up, high.)  
(High, throw your hands up,)  
(Throw your hands up, high.)

This is the message we spread,  
**F#m**  
Bringin' life to the dead.  
**G**  
This is the Good news expo,  
**Em**  
Follows wherever we go.
