[Verse 2]

The wind is strong and the water s deep

But I m not alone here in these open seas

Cause Your love never fails

The chasm is far too wide

I never thought I d reach the other side

But Your love never fails

[Chorus]

You stay the same through the ages

Your love never changes

There may be pain in the night

But joy comes in the morning

And when the oceans rage

I don t have to be afraid

Because I know that You love me

Your love never fails
