[Verse 2]

The wind is strong and the water s deep
But I m not alone here in these open seas
Cause Your love never fails
The chasm is far too wide
I never thought I d reach the other side
But Your love never fails

[Chorus]

Your love never changes
There may be pain in the night
But joy comes in the morning
And when the oceans rage
I don t have to be afraid
Because I know that You love me
Your love never fails

```
