

All I Got

Newton Faulkner

Newton Faulkner,
All I Got,

Capo on 6st fret.

Strumming pattern can fit the picking, listen closely, all chords relative to the capo

I highly recommend learning it properly, but for beginners, or buskers like me here you are. Donâ€™t be put off with the chords names, its not too hard.

Main Playing Tip, Avoid high E string, accept for Em, where you accentuate it.

Gmaj Dsus2

Em7

Dsus

When everyone is you
Everyone is...

Em Dsus2 Gmaj Gadd11 Gmaj
All I gotta do is just hold back and wait,
But every time I try I make the same mistake,
All I gotta do is make myself relax,
All I gotta do is keep my brain on track.
And I know what you re thinking
That you know what s coming now.

Everywhere I look,
Everything is looking so good,
And everyone is you.
And I know I tend to rush straight in,
I just don t know where to begin,
When everyone is you.
Everyone is...

And I hope that you find it,
If freedom is all that you want,
I can see a silver lining,
I ll be here time after time,
time after time after all.

Everywhere I look,
Everything is looking so good,
And everyone is you.
And I know I tend to rush straight in,
I just don t know where to begin,
When everyone is you
