

Been Here Before
Newton Faulkner

[Verse]

N.C.
The bridges have been burned again
N.C.
From heart to heart and friend to friend
N.C.
From dust to dust and back again
N.C.
And now I am alone again

N.C.
The bridges have been burned again
N.C.
From heart to heart and friend to friend
N.C.
The gloves are off, let s not pretend
N.C.
The sky s gonna fall
N.C.
I ve been here before

N.C.
The time has come, the scene is set
N.C.
The curtain s down, the crowd is left
N.C.
I m shutting down what power is left
N.C.
I know what s in store
N.C.
I ve been here before
