

People Should Smile More
Newton Faulkner

[Intro]

D C G

[Verse]

G

People should smile more

G

I m not saying there s nothing to cry for

G

And you ve got

G

Everything laid out for you

G

D

G

Just close your eyes, take a deep breath, and start another war

G

Keep buying, keep moving

Am

This city, is sitting

G

Next to me

G

We ll lay it out

Am

G

It s gonna come, one thing is certain

[Chorus]

G

D

I can t change the world

C

G

Cause trying to make a difference

G

D

Makes it worse

C

G

D

It s just an observation I can t ignore

C

G

D

C

That people should smile more

[Verse]

G

And people should smile more

G

But the lights are so bright that they blind you

G

Just one more

G

Meaningless scientific breakthrough

G

D

G

The more we know, the less we care, what's damaged on the way

G

Keep moving, keep buying

Am G

This city, is sitting

G

Next to me

G

We'll lay it out

Am G

It's gonna come, one thing is certain

[Chorus]

G D

I can't change the world

C G

Cause trying to make a difference

G D

Makes it worse

C G D

It's just an observation I can't ignore

C G

That people could smile more

G D C

People should smile more

[Scat Singing]

C Em C G C

[Chorus]

G C G

I can't change the world

G C G

Cause trying to make a difference

C

Makes it worse

G

It's just an observation I can't ignore

G

That people could smile more

G

People should smile more

G

I can't change the world

C G

Cause trying to make a difference

G

Makes it worse

C G

It's just an observation I can't ignore

C G

That people should smile more

G **C**
People should smile more

[Outro]

G C G C

(... and fade out)
